

HP 22 Tri-color Original Ink Cartridge (C9352AA)

Active as of 15/05/2005

Overview

Print brilliant color photos and bright graphics using an ink cartridge designed to work with your HP printer.

Memories in stunning detail. HP dye-based inks deliver photos with outstanding clarity and beautifully nuanced colors.

Print vibrant colors with inks specially-designed to work with your HP printer and HP photo papers. Capture your memories in shades as fresh and bright as you remember.

Ideal for projects and reports containing color graphics and color photos that stand out.

HP quality and reliability. Industry-leading research and development, design, manufacturing and testing processes ensure the highest quality inkjet print cartridges for your worry-free use.

Make moments last a lifetime. HP inks last for generations with HP Premium Plus Photo Paper. 1

Designed together to work together—HP inkjet printing supplies and printers are designed to produce consistently great results every time you print. A precision-engineered and tested system of supplies and printers designed together to work together.

Results you can count on across a broad range of plain papers and speciality media. Print greeting cards, homework assignments, letters, e-mail, information from the Internet, and reports with confidence.

HP quality and reliability. Industry-leading research and development, design, manufacturing and testing processes ensure the highest quality inkjet print cartridges for your worry-free use.

Simple to install and easy to use, HP inkjet printing supplies are specifically designed to work with your HP inkjet printer.

Supplies are easy to select, replace, and install. The printer is designed for easy supplies access so that installation and replacement are quick and easy.

Save time and money with on-screen ink-level indicator in your printer software. Check your printer toolbox anytime to see whether you need to replace an inkjet cartridge. Alerts proactively notify you when ink is running low so you can purchase a replacement cartridge.

HP quality and reliability. Industry-leading research and development, design, manufacturing and testing processes ensure the highest quality inkjet print cartridges for your worry-free use.

Warranty

HP's ink cartridges and printheads are warranted to be free from defects in materials and workmanship during the period of the warranty. This warranty pertains to the product when used in its designated HP or authorized OEM printing device. HP will, at HP's option, either refund the purchase price or replace products that prove to be defective. Visit the HP online support web site <http://www.hp.com/support> for a list of support phone numbers and conditions or return to your point of purchase.
