

HP 920XL High Yield Magenta Original Ink Cartridge (CD973AA)

Active as of 28/03/2009

Overview

Print professional color documents for less than lasers, using Original HP inks. Original HP inks are specially formulated to produce fast-drying documents, especially when you use papers with the ColorLok logo.

Print professional color documents for up to 40% less than lasers, using Original HP inks. Individual ink cartridges help you print affordably.

HP Officejet inks deliver business-quality color for up to 40% less than lasers.¹ Four individual inks give you the same impressive print quality you would receive from similar ink-based systems that require more ink colors.

Print with affordable individual ink cartridges—replace each cartridge separately when needed.

Archive documents that maintain color quality for decades—without fading—using Original HP inks.² Count on HP ink and paper to ensure stored legal documents, awards and photos maintain their image quality for years to come.

Deliver impressive printing results. These Original HP inks are formulated to produce fast-drying documents, especially when you use papers with the ColorLok logo. HP technology makes it easy to replace cartridges.

Enhance document quality. Original HP inks resist smearing and produce vivid colors when using papers with the ColorLok logo.

Print darker laser-quality black text with increased highlighter pen smear resistance. Draw attention to important information without smearing the ink, keeping numbers and letters easy to read.

HP proprietary inks are formulated to prevent corrosion and clogging of the printhead, ensuring the best prints.

Count on Original HP ink cartridges for superior reliability and performance. Original HP ink cartridges are widely available and easy to install. Plus, HP Planet Partners makes it convenient to recycle your ink cartridges.

HP proprietary inks are formulated to prevent corrosion and clogging of the printhead, ensuring the best prints.

Use convenient ink alerts to easily shop for supplies with HP SureSupply, where you can view a list of the cartridges that work with your printer and shop from a variety of online sources.³

HP helps you recycle your ink cartridges—it's easy with the HP Planet Partners program, available in 47 countries and territories around the world. HP ensures that all collected HP print cartridges are recycled responsibly. HP never refills them, resells them or sends them to a landfill.⁴
