

## HP 920XL High Yield Black Original Ink Cartridge (CD975AA)

Active as of 28/03/2009

### Overview

Get laser-quality black text, using Original HP inks. Print professional, plain paper documents, using pigment ink designed for the office.

**Get superior laser-quality business documents with sharp black text. Individual inks and high-capacity cartridges offer a great value.**<sup>1</sup>

Print business documents with laser-quality black text that are water-resistant, using pigment ink designed for the office.<sup>1</sup>

Print with affordable individual ink cartridges—replace each cartridge separately when needed.

Get up to 2.5 times more black printed pages, using high-capacity ink cartridges designed for frequent printing.<sup>2</sup> High-capacity HP Officejet ink cartridges yield more printed pages and require fewer replacements than standard cartridges.

**Deliver impressive printing results. These Original HP inks are formulated to produce fast-drying documents, especially when you use papers with the ColorLok logo. HP technology makes it easy to replace cartridges.**

Enhance document quality. Original HP inks resist smearing and produce bolder black that improve contrast and sharpen text when using papers with the ColorLok logo.

Save time when loading cartridges—a unique color and fit ensure the right color ink is in the right place.

HP proprietary inks are formulated to prevent corrosion and clogging of the printhead, ensuring the best prints.

**Count on Original HP ink cartridges for superior reliability and performance. Original HP ink cartridges are widely available and easy to install. Plus, HP Planet Partners makes it convenient to recycle your ink cartridges.**<sup>5</sup>

HP proprietary inks are formulated to prevent corrosion and clogging of the printhead, ensuring the best prints.

Use convenient ink alerts to easily shop for supplies with HP SureSupply, where you can view a list of the cartridges that work with your printer and shop from a variety of online sources.<sup>4</sup>

HP helps you recycle your ink cartridges—it's easy with the HP Planet Partners program, available in 47 countries and territories around the world. HP ensures that all collected HP print cartridges are recycled responsibly. HP never refills them, resells them or sends them to a landfill.<sup>5</sup>
